ARCHITECTURAL METALS AUSTRALIA

THE COLLECTION

VESTIS NEBULA

OUR STORY

Established in 2012, Architectural Metals Australia (AMA), is expanding material design freedom across Australia and New Zealand. AMA import Italian made sheet metal, designed specifically for architectural applications.

AMA is the brainchild of Victorian based rainwater goods manufacturer, Bayside Flashing & Ventilations Pty Ltd and sister company, Metal Cladding Systems Pty Ltd. Towards the end of 2011, leadership teams from both businesses began to pool their 30 plus years' of experience. They started researching what their local cladding industry was lacking, identifying potential opportunities to better contribute.

After analysing their own experiences, speaking with peers, installers, builders, and design professionals, they discovered quality products were abundant but material diversity and reliable onshore stock, was not.

Today AMA is a rapidly expanding distribution business, providing sheet metal solutions for those who seek individuality.

VESTIS ONE

AMA VESTIS BLACK GRAPHITE

A solid black color swatch.

AMA VESTIS DUSTY GREY

A solid dark grey color swatch.
